

2012 Annual Fundraiser Auction and Dinner

Greetings,

Bethany Lutheran School is pleased to announce our 10th Annual Fundraiser Auction and Dinner and would like to request a donation(s) for this event. This annual event is our most important fundraising event for the school and will be held on Saturday, May 5, 2012 at Vacaville's Ulatis Cultural Center. Your donation to this event will help us raise the funds necessary to purchase equipment and materials to enhance the educational experience for our kindergarten through eighth grade students.

Bethany Lutheran School offers a family environment in which students are given the opportunity to grow academically, socially, and morally. Bethany Lutheran School facilitates a growing music program, leadership opportunities for all students, and an active connection to community by participating in community and food drives, giving chapel offerings for local and worldwide mission efforts, and encouraging members of our military community and their families by making cards to send to them overseas, coming home, or recovering at the hospital.

Proceeds from last year's auction were used to provide classroom and school-wide enrichment opportunities, provided funds directly to classroom offerings, continued upgrading of electronic equipment, and expansion of our ability for fellowship and community outreach. This year we are focused on continuing to improve technology in the classrooms, as well as continued expansion of educational opportunities. We will also purchase additional audio-visual equipment to maximize educational opportunities available through electronic media.

Your tax-deductible donation can be in the form of gift certificates, merchandise and/or a monetary contribution.

As a donor your business, name and/or establishment will be highlighted in our event program and other event publicity. It is our goal every year to show our appreciation to all donors by providing publicity as a thank you for your generous contribution. We are sure that you could appreciate the impact of over 200 people receiving direct information about your company, especially in seeing your support of a cause that is so dear to them!

Should you have any questions, please call the school office at 707-451-6683 and leave a message for our PTO representative to return your call. The deadline for donations is April 16th, 2012.

Thank you for your consideration of this matter as well as for any support you may be able to extend. Your generosity is greatly appreciated!

Sincerely,

Kristopher Schneider
Principal
